5. **Dental Insurance:** Our office will gladly work with you to get the maximum benefit available to you. **Our office accepts almost all dental insurance plans.** Most dental insurance plans do not cover 100% of your cost of treatment. Therefore, you will be asked to pay your deductible and your co-payment for the charges on the day the services are rendered. We are happy to file the forms necessary to assure you receive the full benefit of your dental insurance. We will estimate your coverage; however, many variables exist from carrier to carrier (i.e. deductibles, annual maximums, allowable fee limitations, non-covered procedures, and other restrictions). Therefore, we cannot guarantee any estimated co-payments. Because your insurance coverage is an agreement between you and the insurance company, ultimately you are responsible for all charges. Please know that we will do every thing possible to see that you receive the full benefits from your insurance company. If for some reason your insurance company has not paid their portion within 60 days from the start of treatment, you are responsible for payment at that time.
6. **Payment is due at the time of service.**
7. **Compassionate Finance.**
8. Payments 60 days past due are subject to a \$50.00 late fee. Payments 90 days past due will be sent to collections.
